A Peek at Our Week

Reading: We will be looking at media literacy. For homework in reading, your child is asked to read 20 minutes, 4 nights a week. They may choose the 4 nights that best fit your schedule. The reading log will be sent home on Monday and may be returned on the following Monday.

Math: Students have been doing great reviewing 2nd grade math skills! This week students will be learning about number forms: expanded, standard, and word forms up to the 10,000 as well as place value vs. value. We will have our first Math Warm Up homework. An explanation for Math Warm Up homework will be sent to you on Monday.

ELA/Writing: We will have our first grammar quiz this week on Friday. The quiz will be on nouns. We will also begin to review verbs and transitional words this week.

Science/SS: We are continuing learning about Rocks and Minerals!

From the **Teacher's Desk**

Spelling news! We will begin spelling this week. We will take a pretest on Mondays. If students miss 0-1 words on the pretest, they will receive a challenge list. If they miss 2 or more, they will receive the regular words for the test on Friday. (If you lost your list we have listed both next to extras-->) ☺

Library info! We began going to the library this week. We will go every Thursday. Your child may check out two books at a time. Please make sure they send their books back to school by Wednesday. ☺

Make sure you check out the Facebook page to see pictures of the kids having fun learning in class: <https://www.facebook.com/allensthirdgraderocks>

WEEKLY HOMEWORK AND TESTS

	
MON	<ul style="list-style-type: none">• Read 20 minutes• Study addition/subtraction facts• Math Warm Up• Study Spelling
