A Peek at Our Week

Reading: Our unit test will be on Monday! Please be sure to look at the study guide over the weekend! This week, we will be revisiting chapters, scenes, and stanzas. We will look at how each part builds on the next within a book, play, and/or poem.

Math: A study guide was sent home Thursday for a short TIME quiz next Tuesday. Please look over the study guide and make sure your child is ready. I put a few elapsed time questions that your child can complete for bonus. Just a reminder I sent you two elapsed time "how to" videos to your email. We will be starting our money unit on Wednesday, focusing on counting coins/bills and money totals.

ELA/Writing: In writing, we will begin looking at persuasive writing. Students will be presented with a couple different topics. They will then develop reasons and evidence for why they believe one way or another for the particular topic. I look forward to hearing what your kids have to say!

Science/SS: We are creating our meter tapes this week and learning about a standard unit of measurement, the meter! We will practice measuring with the meter.

From the **Teacher's Desk**

We will be having our parent-teacher conferences on November 20th. The West Terrace PTA will be providing subs for us that day in order to make this work. We will be sending home an information sheet/sign up next week. IF we have already met, we would be happy to meet with you again but please don't feel obligated to sign up. We haven't had a set parent-teacher conference day in years, so I am really looking forward to this opportunity! ☺ ☺

WEEKLY HOMEWORK AND TESTS

	
MON	<ul style="list-style-type: none">• Read 20 minutes/ UNIT test• Study subtraction/multiplication facts• Math Warm Up• Study spelling words
