## A Peek at Our Week

**Reading:** This week we will focus on asking and answering questions within a text. Please make sure that your child is reading 20 minutes each night.

**Math:** We are working hard on Money! Adding/subtracting money totals and figuring out "If we have enough money to make purchases." For some reason this is a skill all the kids seem to be very interested in. ☺☺☺ As told previously, we have broken up the TIME and MONEY unit. Therefore we will have a very short money quiz on Friday. A study guide will be sent home at the beginning of the week. We will quickly be moving on to multiplication and division!

**ELA/Writing:** We will have grammar review homework this week. There will be a grammar review quiz on Friday. We will continue working on persuasive arguments in class.

**Science/SS:** We are going to continue focusing on "The Meter" this week. We will transition to finding a standard unit for mass, "The Gram" and learning about the different parts to a balance.

## From the **Teacher's Desk**

Please make sure that you have sent back the parent teacher conference forms. Thank you for your promptness with this! We will be sending you your specific time this week so you can plan accordingly. Looking forward to it!

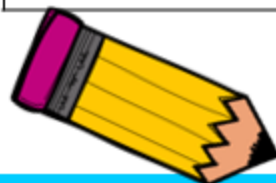

**Student council will be collecting canned yams, canned corn, and toothpaste this Thanksgiving season! We will be collecting from now until Thanksgiving break!**

## WEEKLY HOMEWORK AND TESTS

MON	<ul style="list-style-type: none"> <li>• Read 20 minutes/ grammar review</li> <li>• Study subtraction/multiplication facts</li> <li>• RIPS math homework</li> <li>• Study spelling words</li> </ul>
