## A Peek at Our Week

**Reading:** In reading, we will continue to explore character traits and feelings. We will continue to work on identifying the character and retelling the events of a story.

**Math:** We will start out the week figuring out the equations we need to solve math problems! We will spend Wednesday playing Jeopardy to review our unit. On Thursday, we will have our Addition/Subtraction test. A study guide will be sent home today.

**ELA/Writing:** In writing, we will continue to work on our animal research papers. We will continue research the first couple of days this week and hope to begin our final draft by Friday. Please feel free to send articles and/or books with your children to help with their research.

**Science/SS:** We are continuing to work hard learning our oceans and continents. We will learn about our hemispheres, equator, and prime meridian. Toward to the end of the week we will start to discuss the regions of the US.

## From the Teacher's Desk

Make sure that you are checking grades. Help keep your child accountable this year. If you do not have a password for grades, please email [parentaccess@evsc.k12.in.us](mailto:parentaccess@evsc.k12.in.us)

Last week we sent home an informational sheet regarding our upcoming field trip. On December 11<sup>th</sup> we will be attending the Nutcracker Ballet at the Victory Theatre. We will be leaving for the trip at 8:30 and will be back in time for lunch. Due to limited space, we will not be taking chaperones on this trip. The cost of the trip is \$5.00. Please send \$5.00 in a bag/envelope with your child's name on it by October 16<sup>th</sup>.
