A Peek at Our Week

Reading: We will be looking at traditional literature. We will be examining the themes and discussing how to find a theme.

Math: Most students did AMAZING on their second math test! Thank you for working with them! We are starting our unit of time this week. We will begin learning how to tell time to the *nearest minute*, use AM/PM appropriately and will begin to introduce elapsed time using a t-chart and number line! I encourage you to practice telling time at home, too!

ELA/Writing: Your kids have been working on a research paper for two weeks! They have done a great job! We have gone through the entire writing process: prewriting, drafting, editing, and revising. This week, they will finish their papers as they type their final drafts! I look forward to reading what they have each written! =)

Science/SS: We are finishing up our Social Studies unit this week! Students will learn about regions of the US, the Midwest, a compass rose, and latitude/longitude!

From the Teacher's Desk

To ban against bullying, we ask that students wear **orange** on Wednesday, October 21st. We are sending one large ORANGE message of support, love, hope, and unity to show we are united against bullying.
