A Peek at Our Week

Reading: In reading, we will be comparing and contrasting different texts. **Reminders:** Thursdays are library days. Please help your kids remember their books each week! =) October reading logs are due Friday, Oct. 30th. Please make sure your child is reading for 20 minutes, four days a week.

Math: Students are rocking telling time to the nearest minute, using AM/PM, and quarter hours. This week we will introduce and master elapsed time. I will teach students two strategies to figure out elapsed time: number line and T-chart. I will send you all a detailed "how to" email/video for both of these strategies!

ELA/Writing: This week, we will be working on personal narratives and transitional words. This is also a grammar review week. We do grammar review each morning. Please look at the sheet that comes home Thursday night. This will help to see if your child needs to study any particular item for the test.

Science/SS: We are starting our new Science unit over Measurement!

From the Teacher's Desk

Check out the website at <http://allensclassrocks.weebly.com/> for extra copies of the newsletter, important documents passed out in class, upcoming dates, and games your child can play to review math skills! Several of you have asked for another copy of letter sent out about xtramath. If you haven't signed your child up for xtramath, check out the "math fact practice" document on the website for help!

Mon. Oct. 26th- Give drugs the "boot." (wear boots)
